### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a system for selectively and cooling samples held in solution which comprises a holding plate having a first surface and a second surface, and at least one through-hole well for holding sample therein, (1) a thermal conductor positioned on the first surface and extending a distance into said through-hole well to contact the sample in the through-hole well; or (2) a metallic coating positioned on said first surface and extending a distance into each said through-hole well to contact the solution in the through-hole; a method of heating a sample using the system as defined above; and method of making the system as defined above. The prior art references cited by the examiner are generally related to the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David A Redding whose telephone number is 571-272-1276. The examiner can normally be reached on Mon.-Fri. 6:00 - 3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert Warden can be reached on 571-272-1281. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
